Dear Parent or Guardian,

The cold weather is upon us once again! Please make sure your student is dressed appropriately for recess, and traveling to and from school and activities on the bus. Kindergarten through 3rd grade students have been well dressed so far this year, but students in Grades 4-6 need to make sure they have their winter gear with them, too. Students should wear long pants (not shorts) and make sure to bring a jacket, gloves and a hat if the weather requires it. All students K-6 go outside for fresh air and fun at recess; please make sure they can enjoy their time out there comfortably.

Check out the helpful chart below for some great tips. Jasper students will dress to go outside for winter fun each day up until the air temperature reaches 32 degrees. Thank you for making sure your students have all the necessities to keep warm while they enjoy their time outside in the fresh air.

Sincerely
Kirk Bromley
Elementary Principal
