

# Jasper R-V

— STATE OF THE SCHOOL DISTRICT —  
Monthly Update ○ December 2023

## UPDATES

Dear Jasper R-V Families,

Welcome to December!

### Facilities Updates:

- The old gym is now usable; HVAC and lighting are in the final stages of installation.
- Automatic unlocking software has been installed on the Tornado Shelter (Godfrey Building). For future weather events, the doors to Godfrey will automatically unlock at the beginning of any thunderstorm or tornado watch issued by the NWS. Once the system is finalized, we will communicate with the entire community about the procedures.

### Academic Updates:

- The end of the semester is this month. Encourage your child to finish strong!

### Weather Updates:

- In the event of inclement weather that would cancel school, we will use Facebook and PowerSchool SwiftReach to notify families. Please ensure your phone numbers are up to date in PowerSchool.

Thank you for raising such great kids—they continue to impress me with their maturity, respect, and compassion. Blessings to you and yours for a safe and healthy Christmas season!

*Cindy*

Cindy Hansen, Ed.D. • Jasper R-V Superintendent

## CSIP

### CSIP (Comprehensive School Improvement Plan) Goals

1. May 2025: Meet or exceed state average on state assessments.
2. May 2025: 70% of K-6 students read at or above grade level on iReady assessments.
3. May 2025: 100% of graduates career or college ready (district's core data report).
- ✓ 4. March 2023: Evaluate current and needed tech equipment.
5. May 2025: Provide a safe and secure campus.
6. May 2025: 100% of teachers score 3 or higher on all evaluation indicators.
7. May 2024: Score 4/6 that the district is effectively communicating with all stakeholders.
