

Jasper R-V

— STATE OF THE SCHOOL DISTRICT —
Monthly Update ○ September 2023

UPDATES

Dear Jasper Families,

It has been a joy getting to know you and your children over the past few weeks! Thank you for the warm welcome to Jasper R-V. I look forward to a fantastic year together.

On the first school day of every month, we will post this monthly State of the School District update. It will provide brief information about the most recent happenings around the district; if you have questions, please feel free to contact me at any time (cindy.hansen@jasper.k12.mo.us).

Some updates about facilities:

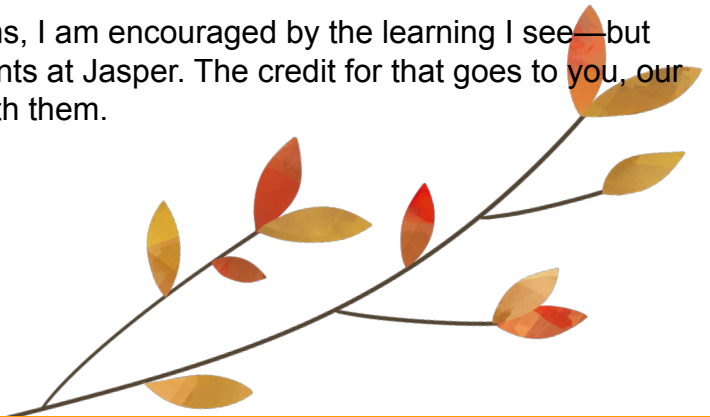

- Fence. A perimeter fence is being installed around the property to provide another layer of protection for our students and campus. There will be gated access to the drop off/pick up road. Gates will typically be closed except during drop off and pick up times.
- Old Gym. The current remodeling project includes plaster demo, new staircases by the stage, and insulation. We do not yet have an end date for the project but are aware of the need for completion for archery practice and elementary PE. HVAC bids for the old gym are also being sought.

The year is off to a great start. As I walk through classrooms, I am encouraged by the learning I see—but even more, I am encouraged by the character of our students at Jasper. The credit for that goes to you, our families, for raising great kids. Thank you for trusting us with them.

Here's to a wonderful year!

Cindy

Cindy Hansen, Ed.D.
Jasper R-V Superintendent

CALENDAR REMINDERS

September 14 = Picture Day
September 22 = Homecoming
September 28 = Board Meeting

MADE ME SMILE

Last week as I was walking through classrooms, one of our students offered to give me a farm cat. I've been given many gifts from students over the years, but I have never been offered a cat. Very sweet! And no, although the thought was kind: No cat needed.
